I specialize in shipping Perazzi parts all over the world. Canadian shipping via USPS is normally about the same as for the lower 48 states. All packages are shipped insured with deliver tracking through USPS. If you provide an email address, you will receive tracking information. I ship extremely fast. If you order on Saturday, I can usually have it in your hands on Monday. I do not ship using customer's shipping accounts, sorry. Being a shooter myself, I realize that time is of the essence. Check my website (listed above) for current pricing - Perazzi prices fluctuate often. I have been servicing Perazzi shotguns and triggers and Ponsness/Warren reloaders for nearly 40 years. All packages shipped insured w/ delivery confirmation. I believe in EXTREMELY FAST SERVICE. If I have it, it ships within 24 hours. Being a shooter myself I realize that time is of the essence. Check my website (listed above) for current pricing – but be aware that Perazzi prices fluctuate. I have been a AA-27 yarder for 40 years. New customer checks may require clearing prior to shipping. **EVEN IF NOT LISTED, I PROBABLY HAVE THE PARTS IN STOCK. IF YOU NEED IT I'LL GET IT FOR YOU!** I am usually in my shop 7 days a week – call at odd hours and I just might answer.
