I specialize in shipping Perazzi parts all over the world. Canadian shipping via USPS is normally a bit higher. All packages are shipped insured with deliver tracking through USPS. If you provide an email address, you will receive tracking information. I ship extremely fast. If you order on Saturday, I can usually have it in your hands on Monday. I do not ship using customer's shipping accounts, sorry. Check my website (listed above) for current pricing - Perazzi prices fluctuate often. I have been servicing Perazzi shotguns and triggers for over 40 years. All packages shipped insured w/ delivery confirmation. I believe in EXTREMELY FAST SERVICE. If I have it, it ships within 24 hours. Being a shooter myself I realize that time is of the essence. Absolutely NO RETURNS accepted for any electronic media. Check my website (listed above) for current pricing – but be aware that Perazzi prices fluctuate. I have been a AA-27 yarder for 40 years. Checks may require clearing prior to shipping. **EVEN IF NOT LISTED, I PROBABLY HAVE THE PARTS IN STOCK. IF YOU NEED IT I'LL GET IT FOR YOU! I try to keep a high number of Perazzi parts in stock at all times. If I miss your call, leave me a message and I always make a point of returning ALL calls.**
