I specialize in shipping Perazzi parts all over the world. Shipping to Canada through the USPS is normally about the same as the lower 48 states. All packages are shipped insured with a delivery confirmation through US Mail. If you provide an email address, I will email tracking information. I believe in EXTREMELY FAST SERVICE. If I have it, it ships within 24 hours, or sooner. I DO NOT ship using customer's shipping account, sorry. Being a shooter myself, I realize that time is of the essence. Check my website (listed above) for current pricing -Perazzi prices fluctuate often. I have been servicing Perazzi shotguns and triggers and Ponsness/Warren reloaders for nearly 40 years. I have been a AA-27 yarder for 40 years. I accept Postal Money Orders and checks (checks may cause slower delivery times for new customers). I accept PayPal, however due to the narrow margins in parts sales; I charge an extra 2% for PayPal. I can also accept American Express, but they nail me 6% and I must pass that on to the buyer. **EVEN IF NOT LISTED, I PROBABLY HAVE IT!**
