ITEM PART NUMBER	ITEM DESCRIPTION	QUANTITY	PRICE

All returns require an RA# and MUST be in condition as received. Any installed any/or modified part is absolutely not returnable. A 20% restocking fee may be assessed. Absolutely NO REFUNDS on shipping/postage charges. All items are shipped insured mail. No returns after 30 days of invoice. No, I can't simply drop a spring in an envelope and mail it to you. It will never get there and that is why I must use the tear-proof padded mailers. Returns must be placed in a padded mailer or box, other it will be refused… I won't get the part. The USPS sorting machines raise havoc with simple envelopes. NO RETURNS AFTER 30 DAYS OF INVOICE DATE. We are NOT a warranty station and no fitment is guaranteed in your application.

IMPORTANT	CREDIT CARD NUMBER
All out-of-country orders are subject to a "Cross Border" charge of 4% by the credit card companies. I have no control over that charge.	EXPIRATION DATE
$20.00 minimum PARTS order. Orders not meeting this minimum are assessed a $5.00 handling charge.	CVV NUMER (3-digist on back)
