NO REFUNDS on shipping or postage charges. All shipped items are sent insured mail. NO RETURNS after 30 days of receipt. No, I cannot simply put a spring in an envelope and mail it to you. If it were to arrive, it would be ruined or missing due to the USPS sorting equipment. Hence, all shipments are either in a box or tear-proof bubble mailer. I will not accept any item(s) returned in a non-padded mailer or envelope; it will be REFRUSED. AGAIN, NO RETURNS AFTER 30 DAYS OF RECEIPT. I am not a warranty station. Fitment is not guaranteed.
